**REGISTERED NURSE I**

**Perioperative Nursing Operating Room**

Acute Care Surgery, Burn, Cardiovascular, Colorectal, Dental/Oral maxillofacial, Gynecological/obstetric, Hepatobiliary, Neurosurgery, Ophthalmology, Orthopedics, Otolaryngology, Pediatric/Neonatal, Plastics, Thoracic/MIS - Pulmonary/Foregut, Trauma, Tumor/Breast, Urology, and Vascular

LAC+USC Healthcare Network's Perioperative Nursing Service has positions available in the "New Nurse in the Operating Room Program". This is a nine (9) month program designed to prepare a nurse in providing care for the patient experiencing surgery. It has a theory-based component where the nurse will learn the application of Nursing Process in conjunction with the Standards of Patient Care and Operating Room Techniques. In addition, the clinical component will assist the nurse in adapting to providing patient care, primarily as a circulating nurse and scrub nurse as necessary and as appropriate.

**Responsibilities:**

- Provides direct patient care with the competencies and expertise expected at the level of the RN I position
- Demonstrates role and performance of duties outlined in the RN I classifications
- Communicates collaboratively with patients, families, the interdisciplinary team and other nursing staff to ensure the highest quality of care, patient safety and customer satisfaction.

**Qualifications:**

- Currently an RNIF or reachable on the DHS Registered Nurse I Certification List.
- Current license to practice as a Registered Nurse issued by the California Board of Registered Nursing

**Desirable Skills:**

- Excellent written and verbal communication, proficiency in collaboration, and cooperation in working with, and being a member of the multi-disciplinary team
- Assertive, autonomous and strong patient advocacy skills

**Interested need to submit a letter of intent, a current resume, last two Performance Evaluations and last 24 months attendance records to;**
